Query the database

1. List all the adventure films which an under 18 can legally watch.
2. I wish to take children under 10. Give me a list of films I could take them to.
3. Look on the Warner Village web site and find three more films to add to your database.
4. Write a memo to your subject teacher explaining how Warner Village make use of their web site and how it helps them to generate more business.
