

Display Task

C-PC Rentals provide companies with the latest in computer technology for short and long term rentals and leases. The following information should be used to prepare a full-page advertisement to go in a weekly computer newspaper.

- Use the text below to prepare the advertisement.
- Correct any errors and extend abbreviations.
- Align the advertisement horizontally to the right.
- Place a plain border (6pts wide) to the left and across the bottom of the advertisement.
- Add a suitable piece of clipart.
- Use the facilities of your computer to emphasise parts of the advertisement.
- Save under the filename **CPCRENT**.

Print a hard copy of your work.
